FAIRWAY EMBASSY

Fairway Embassy — Corporate Golf Hospitality across Europe.

CORPORATE GOLF CONCIERGE

Golf, arranged around your business.

A dedicated European golf concierge for executives, partners and selected clients.

01 / THE PROPOSITION

Time well spent, relationships well built.

A round of golf creates the space that business travel rarely leaves: time for an unhurried conversation with a client, an investor or a colleague.

FOR YOUR TEAM

An executive travelling to London wants a quality round between meetings. We identify suitable courses, check the visitor conditions and arrange the practical details.

FOR YOUR CLIENTS

A relationship manager wishes to invite a client in Paris. We propose a course and coordinate the visit; the client can also receive their own access under the Corporate & Clients membership.

WHERE WE OPERATE

Paris · London · Geneva · Zurich · Munich · Milan · Barcelona · Madrid · Lisbon · Dublin

Course recommendations depend on the visitor policy, availability and booking conditions in force at each club.

02 / EXECUTIVE CONCIERGE

One contact.
Every detail considered.

01

THE RIGHT COURSE

We match the destination, playing level, occasion and preferred date with suitable golf clubs and available tee times.

02

THE PRACTICAL ARRANGEMENTS

We coordinate the booking and, when requested, equipment rental, buggy, caddie or transfers.

03

A SINGLE POINT OF CONTACT

The member or their assistant sends one brief. We return with a clear proposal and stay available as plans take shape.

The goal is straightforward: save time for your teams and make every visit feel well prepared.

03 / THE EXPERIENCE

From proposal to first tee.

01 REQUEST

The member tells us where and when they want to play, with whom, and what they need.

02 PRICE & APPROVAL

We present the selected golf course, services and total price. The member approves the offer through an electronically signed online document.

03 READY TO PLAY

Fairway Embassy advances the approved golf costs. The member arrives at the club without paying the arranged golf services on site.

04 AFTER THE ROUND

The member reimburses Fairway Embassy within 48 hours after the round, according to the agreed terms.

04 / MEMBERSHIP

WHO RECEIVES ACCESS

A beneficiary is a named person who can ask Fairway Embassy to organise a round independently. An invited guest plays alongside an employee beneficiary and does not hold a separate concierge membership.

Membership fees cover the concierge service. Green fees and optional golf services are quoted and approved separately for each booking.

05 / FAIRWAY EMBASSY

A thoughtful way to bring people together.

Fairway Embassy offers your organisation one European contact for golf, from the first course recommendation to the member’s arrival at the club.
